For Maal Help 1.0

Maal Help user manuals

Maal Help has one manual per role. Read the one that matches the role your administrator gave you (shown under your name at the bottom of the sidebar).

Manual (file)	Role in the system	Read it if you…	Pages
Super Admin `Super_Admin_User_Manual.pdf`	SaaS Super Admin (platform)	Operates the Maal Help service for all subscribing companies: tenants, plans, feature flags, health, AI usage and support.	15
Business Owner `Business_Owner_User_Manual.pdf`	Business Owner	Owns the company account.	39
Warehouse Manager `Warehouse_Manager_User_Manual.pdf`	Warehouse Manager	Runs warehouse operations and staff: space, receiving, putaway, picking, packing, dispatch, transfers, counts and approvals of operational requests.	35
Inventory Controller `Inventory_Controller_User_Manual.pdf`	Inventory Controller	Keeps stock accurate: cycle counts, adjustments, status changes, transfers, batches and serials.	23
Warehouse Operator `Warehouse_Operator_User_Manual.pdf`	Warehouse Operator	Does the floor work on a phone: receive, put away, pick, pack, transfer, count and dispatch.	23
Receiving Clerk `Receiving_Clerk_User_Manual.pdf`	Receiving Clerk	Runs the inbound dock: receives goods against purchase orders, records batches, expiry and damage, and puts goods away.	21
Picker / Packer `Picker_Packer_User_Manual.pdf`	Picker / Packer	Picks assigned tasks with scan verification and packs orders at the packing station.	19
Dispatch Officer `Dispatch_Officer_User_Manual.pdf`	Dispatch Officer	Dispatches packed orders with vehicle, driver or courier details and updates delivery status.	16
Sales User `Sales_User_Manual.pdf`	Sales User	Manages customers and sales orders, checks stock availability and order status, and handles returns.	19
Purchase User `Purchase_User_Manual.pdf`	Purchase User	Manages suppliers and purchase orders, follows up deliveries and uses smart reorder suggestions.	19

Accountant / Billing `Accountant_Billing_User_Manual.pdf`	Accountant	Handles invoices, supplier bills, payments, receivables, payables, storage billing, expenses and valuation.	20
Auditor `Auditor_User_Manual.pdf`	Auditor	Read-only access to all records and the complete audit history, for internal or external audit.	16

> The role list matches the permission catalogue enforced by the server (see `docs/ROLE_PERMISSION_MATRIX.md`). The Warehouse Operator manual covers all floor tasks; the Receiving Clerk, Picker/Packer and Dispatch Officer manuals cover the same screens limited to that job.

Getting started in five minutes

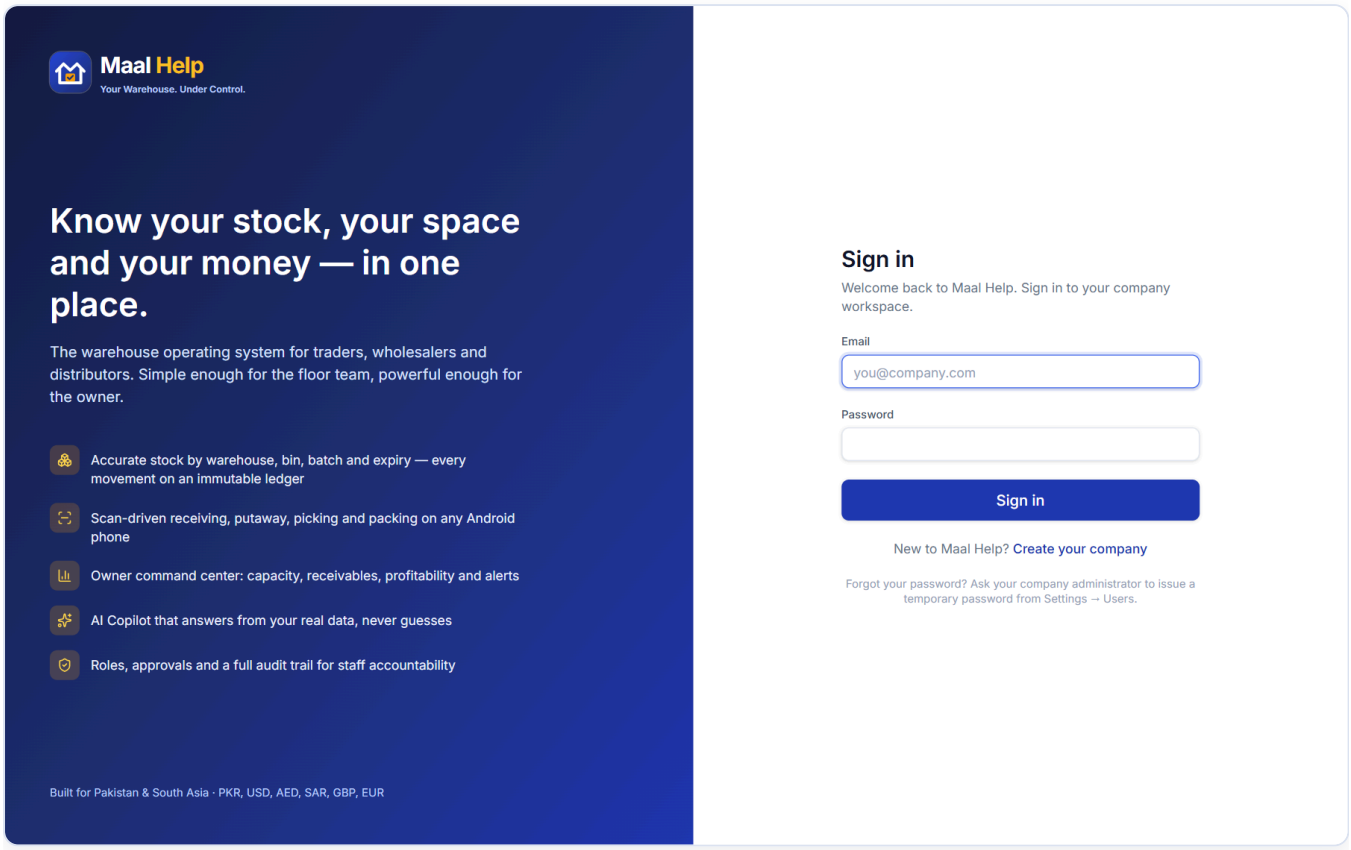

Figure 1. Sign in with the email and password your administrator gave you.

1. Sign in. Floor roles open the mobile task app; everyone else opens the dashboard.
2. Change your temporary password: **Settings** → **My profile**.
3. Press **Ctrl** + **K** to find anything.
4. Look at **Alerts** and, if you have it, **Approvals**.
5. Open your role manual for step-by-step instructions.

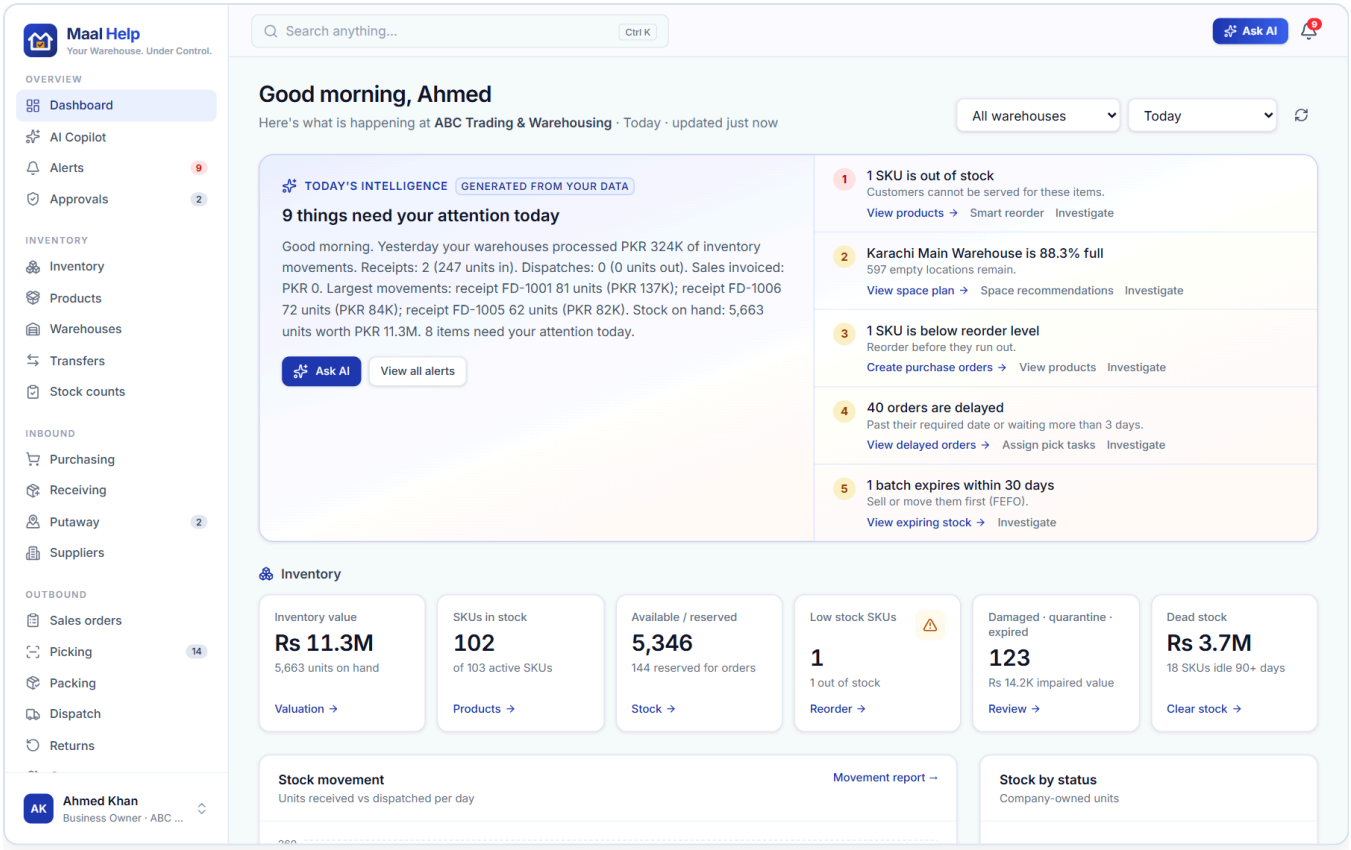

Figure 2. The owner command center.

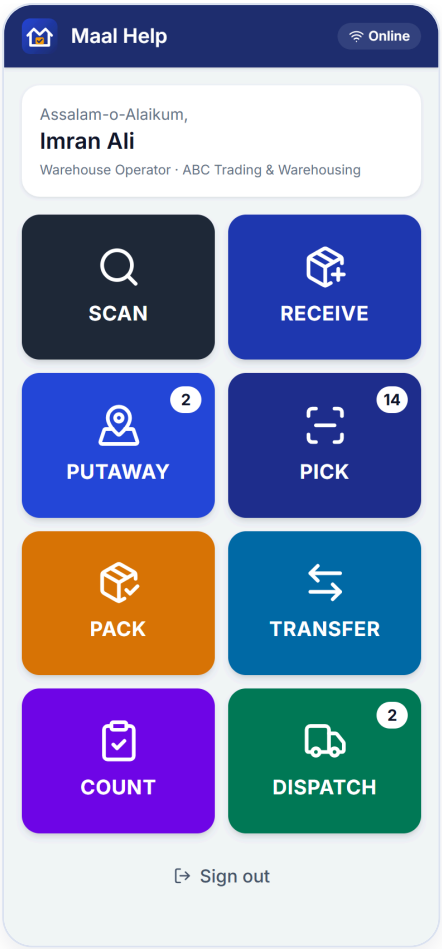

Figure 3. The mobile task app for floor staff.
